Deli 3 Corporate Catering Services

Fresh. Personalized. Professional. Corporate Deli Services.

For over ten years, Deli 3 has been providing turn-key deli services within corporate office buildings throughout the Chicagoland area. As a building tenant, Deli 3 becomes a trusted partner for breakfast, snack, and lunch entrees. Serving weekly and seasonal specials along with healthy, hearty breakfast and lunch selections, Deli 3 becomes a friendly stop in the morning or during the lunch hour. Deli 3 is not just a tenant, but an asset for tenant retention and attraction.

Deli 3 – a division of 3 Chefs Catering – brings the expertise of catering to the table. In addition to employee meal services, Deli 3 also provides corporate catering services. Either pick-up or delivery, Deli 3 can provide:

- Continental breakfast platters for your sunrise meetings
- Box-style or buffet lunches for your conferences
- Employee appreciation events such as barbeques, ice cream socials, breakfast buffets, picnics, etc
- Large gala events such as Holiday parties, off-site management events, and all-company sales meetings.

Our team also can assist with the “extra” services including tents, wait staff, rental and entertainment.

Deli 3 Corporate Catering Services prides itself on its reputation as a leading corporate foodservice provider with the added benefit of its catering expertise. We combine the best of both worlds with a dash of strong management experience.

Call us today to learn how we can add value to your corporate building services.
